# Proyecto: Koodzo

## Cliente: Interfaces

### Tipo: App Contenido

This screenshot shows the 'Influencers' search results page. On the left is a sidebar with navigation icons. The main area displays a grid of influencer profiles for 'Luis alcaraz'. Each profile includes a thumbnail, name, handle, a short bio, a Twitter icon with '120k' next to it, and a plus sign for adding to a group. A note at the bottom encourages users to invite influencers who haven't joined the platform. The Koodzo logo is in the bottom right corner.

The dashboard page has a dark background with a white header featuring the Koodzo logo. It includes a sidebar with navigation icons. The main content area starts with a row of four summary cards: '400 Total Influencers', '132 Completed Actions Last 30 Days', '200 Community Posts Last 30 Days', and '350 Community Total Reach / Followers'. Below this is a section titled 'Content Promotion' with three columns: 'Promoted' (showing a card for 'TYPE OF INFLUENCERS' with a blue background), 'No Action Yet' (showing a card for 'THE BUSINESS ADVANTAGES OF INFORMATION TECHNOLOGY' with a blue background), and 'Rejected' (showing a card for 'Social Networks' with a blue background). The Koodzo logo is in the bottom right corner.
